Libraries License

The KiCad libraries are licensed under the [Creative Commons CC-BY-SA 4.0 License](#), with the following exception:

To the extent that the creation of electronic designs that use 'Licensed Material' can be considered to be 'Adapted Material', then the copyright holder waives article 3 of the license with respect to these designs and any generated files which use data provided as part of the 'Licensed Material'.

What does this mean?

KiCad libraries are licensed in such a way to ensure free use of library data for commercial, closed, and non-commercial projects without restriction. KiCad does not wish to exert any control over designs produced using the library data, or force users to reveal proprietary information contained in their designs. Neither do we wish to force users to attribute the KiCad libraries *within their design*.

Use of the library data in a project does not (by itself) require that the design or any files generated from the design are licensed under the CC-BY-SA 4.0 License. You are free to use the library data in your own projects without the obligation to share your project files under this or any other license agreement.

However, if you wish to redistribute the KiCad libraries, or parts thereof (including in modified form) as a collection then the exception above does not apply. Redistributed library collections must be shared under the
